Agency Funds

An agency Fund or Endowment is a long-term fund held and managed by The Keweenaw Community Foundation on behalf of a nonprofit organization. The nonprofit organization receives annual distributions for unrestricted use. There are three different types of Agency Endowments:

- Field of Interest Endowments
- Designated Endowments
- Scholarship Endowments

Why it is a good option:

Donors benefit from giving to an endowed fund, as their gift will multiply over time. The foundation takes care of all the details, providing nonprofits with income for the future and donors with an effective giving outlet. Through the use of Agency Funds, everyone benefits.

The Forever gift:

Giving to an agency fund allows you to continue to support that cause forever. Even if the nonprofit you select ceases to exist, you can trust that the community foundation will redirect your giving to address your original charitable intent. Contact us to begin setting up your fund.

Mutually Beneficial

Agency funds allow each participant to do what they do best. The Keweenaw Community Foundation is an expert in managing charitable endowments and Non-profit agencies are experts in managing their causes.

Donor Advised Funds

Donor Advised Funds are established by donors wishing to provide flexible capital for charitable activities while retaining the ability to make annual grant recommendations to specific projects or interest areas. Through Donor Advised Funds you address the issues and needs you care about most.

Benefits of Donor Advised funding:

You only have to make one gift and keep track of one donation receipt. You may add to your fund at any time, receive an immediate tax deduction, but then can distribute funds over longer periods of time as you see fit. You have the opportunity to give anonymously, if desired.

How it affects you/your family

Many patrons who start a Donor Advised Fund ask their children to participate in the process of determining how to distribute the funds. No matter whom you decide to involve, the fund you've started will continue to be a valuable resource for the charities of your choice, forever.

Contact us to begin setting up your fund. We are there to help you with all the details. You'll be joining us in creating a well-served community.

Ongoing Involvement

With a Donor Advised Fund,
you choose how much, to
whom, and how often to give.
We take care of all the rest.
